PERMISSION TO USE CHILD'S PHOTOGRAPHS/VIDEOS

Dear Parents/Guardians

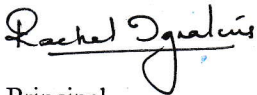

Students at the Choice School will be involved in school activities where they may be photographed/video recorded. Photographs/videos of students may be used in a variety of media to celebrate a student's success in a particular area or for educational purposes or to promote activities at the school. Photographs/Videos of children are also used in newspapers, school brochures, web sites, DVDs, special displays and other promotional material. Visiting trainee teachers/visiting faculties from other schools/organizations may also take photographs/videos for their assignments.

The majority of parents are happy for their child's photograph to be used and their children enjoy seeing their photographs/videos in the newspapers and on school publications.

We need parental permission to publish children's photographs/videos. Accordingly I ask that you complete the form below and return it to school as soon as possible.

Please note this permission form is valid for the duration of your child's schooling at the Choice School.

Thank you

Principal
